

Event : Armistice In Cambridge – Nov 9 -10, 2019

Safety Induction

Risk	Control
Firearms, Ammunition and Weapons	<ul style="list-style-type: none"> • All firearms users are licensed and trained in safe use of firearms. Non-licensed handlers of firearms must be strictly supervised by a licensed member • No live ammunition permitted on an event site or training under any circumstances • All ammunition inspected prior to use. All event ammunition distribution is under the control of the event armourer or his /her deputy • Weapons are securely stored to and from event • Weapons are checked prior re-enactment and cleared after use • Bayonets may be fixed within display area only, or as part of a duty display team • Edged weapons must be sheathed unless part of drill or maintenance of said weapons • For the purposes of this event, the entire site is a display area • Weapons will only be loaded on the express order of the unit commander. Weapons will be unloaded, and ammunition stored after firing events have completed. • All firearms must be stored in the container at a time specified by the armourer. All firearms/cases/bags must be named. Storing and retrieving firearms must be conducted in such a way outlined by the armourer.
Battle Re-enactments and Fire Power demonstrations	<ul style="list-style-type: none"> • Spent cartridges to be collected wherever possible • Re-enactment participants will attend a safety brief prior to event. This briefing highlights the safe use of firearms and firing zones. • All pyrotechnic areas will be marked and a 8 metre minimum clear zone in place • Fixed bayonets are not permitted during battle scenes unless express permission is given by battle organisers • No staged hand to hand combat permitted unless express permission given by event organisers and scenes are well rehearsed • NO covered faces during battles.

Noise	<ul style="list-style-type: none"> • Any test firing of weapons will be conducted with a secure area and warning will be given before firing • For this event firing is only permitted Saturday 9 to 4pm and Sunday 9am to 4pm • Re-enactment participants will be advised to wear ear plugs during battles • Spectators will be warned of noise danger prior to any Battle or Fire Power demonstrations
Alcohol and Banned Substances use	<ul style="list-style-type: none"> • Karapiro Domain is an alcohol-free site at all times, as decreed by Waipa District Council. • Banned substances are not permitted
Medical or Injury Emergency	<ul style="list-style-type: none"> • The event has trained First Aiders to assist until professional help arrives • Participants should advise the organiser of any health issue that may be escalated by taking part in re-enactment activities
Emergency Management	<ul style="list-style-type: none"> • In the event of an emergency the site owner will be in charge. Follow all instructions
Behaviour	<ul style="list-style-type: none"> • No fighting permitted. If you have a problem with another person on site, approach an Armistice Official. Fighting will result in you being trespassed from the event. • Excessive noise at night will not be tolerated. • Follow the directions of event staff and security at all times. • Do not talk to the press. Direct them to Event staff. • Battles are planned. Any deviation from that plan compromises the health and safety of others. Battle planners must be listened to and plans adhered to. This includes movement, timing and who wins/loses.

Failure to abide by these rules will result in the participant being required to leave the site for the remainder of the event.
